[illegible]

The figure consists of two circular diagrams, one for the left side (Gauche) and one for the right side (Droite). Each diagram has concentric circles representing effort levels (10, 20, 30, 40) and radial lines representing angles (0 to 90 degrees). Data points are marked with green circles for 'Perçus', red triangles for 'Non perçus', and open circles for 'Non testés'.

Left Side (Gauche):

- Perçus (Green Circles):** One point at 90 degrees (level 10), one at 0 degrees (level 30), and one at 30 degrees (level 30).
- Non perçus (Red Triangles):** None.
- Non testés (Open Circles):** Numerous points distributed across the circle, mostly between 10 and 20 degrees and 10 and 20 effort levels.

Right Side (Droite):

- Perçus (Green Circles):** One point at 90 degrees (level 10), one at 0 degrees (level 30), and one at 30 degrees (level 30).
- Non perçus (Red Triangles):** None.
- Non testés (Open Circles):** Numerous points distributed across the circle, mostly between 10 and 20 degrees and 10 and 20 effort levels.

Legend:

- Perçus
- ▲ Non perçus
- Non testés
