| Number of Books Read | Frequency (Number of Students) |
|----------------------|--------------------------------|
| 10                   | 2                              |
| 12                   | 3                              |

A dot plot showing the number of books read by students. The horizontal axis is labeled with numbers 2 through 12. The vertical axis has four levels, each marked with two small circles. Blue dots are plotted at (10, 1), (10, 2), and (12, 3).

[illegible]
