

**Fonction : MANOEUVRE**

○○

○○

The figure consists of two circular diagrams, one for the left side (Gauche) and one for the right side (Droite). Each diagram has concentric circles representing effort levels from 0 to 40 and radial lines representing angles from 0 to 90 degrees. Data points are plotted as follows:

- Perçus (Green Circles):**
  - Gauche:** Points are located at approximately (0, 30), (30, 30), and (30, 10) in (angle, effort) coordinates.
  - Droite:** Points are located at approximately (0, 30), (30, 30), and (30, 10) in (angle, effort) coordinates.
- Non perçus (Red Triangles):** No data points are visible in either diagram.
- Non testés (Open Circles):** Numerous points are scattered across both diagrams, primarily concentrated in the lower effort regions (0-20) and along the 0 and 90 degree angles.
